

A BILL

To abolish the Federal Bureau of Investigation, repeal related provisions of law, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

This Act may be cited as the "FBI Abolition Act of 2025".

SECTION 2. FINDINGS.

Congress finds the following:

- (1) The Federal Bureau of Investigation (FBI), established in 1908 and codified in Federal law, has expanded beyond its original investigative mandate, engaging in activities that include surveillance, intelligence gathering, and operations that infringe on civil liberties and constitutional rights.
- (2) The FBI's actions have often lacked sufficient oversight, leading to abuses of power, violations of privacy, and erosion of public trust.
- (3) Abolishing the FBI will reduce government overreach, eliminate redundancy with state and local law enforcement, and restore focus on constitutional principles of limited federal authority.

SECTION 3. ABOLITION OF THE FEDERAL BUREAU OF INVESTIGATION.

- (a) In General.—The Federal Bureau of Investigation is hereby abolished effective immediately following the enactment of this Act.
- (b) Wind-Down Operations.—Immediately following the enactment of this Act, the Attorney General shall expeditiously wind down the operations of the Federal Bureau of Investigation, ceasing all functions, and transferring any essential investigative or law enforcement functions to other appropriate agencies within the Department of Justice or other federal departments as determined by the Attorney General.
- (c) Transfer of Assets and Liabilities.—All assets, liabilities, contracts, property, and records of the Federal Bureau of Investigation shall be transferred to the Attorney General for appropriate disposition.
- (d) Employee Transition.—Employees of the Federal Bureau of Investigation shall be offered opportunities for reassignment within the federal government or provided with severance and retraining assistance as prescribed by existing federal law.

SECTION 4. REPEAL OF RELATED PROVISIONS OF LAW.

(a) In General.—The following provisions of law are hereby repealed:

- (1) Sections 531 through 540D of title 28, United States Code (relating to the Federal Bureau of Investigation).

(2) Any other provisions of Federal law that specifically authorize, establish, or relate to the operations, funding, or functions of the Federal Bureau of Investigation, including but not limited to relevant sections of the Omnibus Crime Control and Safe Streets Act of 1968, the USA PATRIOT Act, and subsequent amendments.

(b) Conforming Amendments.—The United States Code is amended by striking all references to the Federal Bureau of Investigation and the repealed provisions, and by making such other conforming changes as necessary, including reassigning any shared responsibilities to the Department of Justice or other appropriate entities.

(c) Effective Date.—The repeals under this section shall take effect immediately following the enactment of this Act.

SECTION 5. SEVERABILITY.

If any provision of this Act, or the application thereof to any person or circumstance, is held invalid, the remainder of the Act and the application of such provision to other persons or circumstances shall not be affected thereby.
